

Daisyfield Primary School

British Values Policy

September 2022

Intent

At Daisyfield Primary School, we work to our mission statement, 'Dream, Believe and Achieve'. We pride ourselves on providing a learning environment where children grow and develop in safe and supporting surroundings. We aim to instil in all our children a passion for learning; we want the children to get the most out of life and be ambitious for their futures.

The DfE have reinforced the need *"to create and enforce a clear and rigorous expectation on all schools to promote the fundamental British values"*. The government set out its definition of British values in the Prevent Strategy. All staff and governors have received, and regularly update, Prevent training.

Ofsted Inspection Framework stipulates that school's intent should provide for the personal development of all pupils and develop and deepen their understanding of the following fundamental British Values:

- Value of democracy
- The rule of law
- Individual liberty
- Mutual respect and tolerance of those with different faiths and beliefs.

Daisyfield Primary School will ensure that we actively promote and teach these values through our RE, PSHE and wider curriculum, and that they are further nurtured through the school's ethos to ensure that our children are ready to leave school fully prepared for life in modern Britain.

As a school, we value and celebrate the diverse heritage of everybody and alongside this, we value and celebrate being part of Britain and different traditions and customs.

Implementation

School Values

Our school values; **respect, honesty, self-respect, humble, caring and determined** are embedded throughout Daisyfield Primary School and we ensure that children are not only taught but also shown these values on a daily basis. Over the course of the year the children will learn about these values and focus on a different value each term. They will learn through stories, discussions and assemblies.

Our values are also embedded throughout our school behaviour policy and children are rewarded with a values 'token' which they can exchange for Dojo points if they are seen to be demonstrating the value of the term.

Our school values are on display in the hall and in classrooms.

Promotion of fundamental British Values

It is important that the British values are demonstrated through the ethos and life of the school.
