Class Dojo

Class Dojo has worked very well in motivating the children to exceed in all areas. It has also proved a valuable communication tool between parents and teachers and I will certainly be using this more throughout the year.

PE - Willow Class have PE timetabled for Tuesday and Friday. PE kits must be worn for these days.

Homework

You may have noticed that the children have sometimes been receiving two pieces of homework a week. This is dependent on the needs of the children and this practice will increase as it will help the children revise and consolidate on their learning.

Intervention Books

These books have been very successful so far in helping the children in their learning and revision. Let's keep it going!
