

What times tables do I need to learn?

Year 1: X10, X2, X5

Year 2: X3, X4

Year 3: X8, X6, X11

Year 4: X7, X9, X12

How can I learn my times tables?

- Use Times Tables Rock Stars
- Write them down
- Say them aloud

What do our badges mean?

I know my 2, 5, 10, 3 and 4 times tables (KSI Summit Challenge).

I know my all of my times tables up to 12 X 12. I can apply my knowledge to solve various problems such as the square root and multiplication of decimals (KS2 Summit Challenge).

I am able to answer calculations involving all of my times tables at speed (Seven Summit Challenge).
